RECOGNIZED OBLIGATION PAYMENT SCHEDULE #2

JULY 1, 2012 THROUGH DECEMBER 31, 2012

(Per California Health and Safety Code Section 34177)

This is the second Recognized Obligation Payment Schedule ("ROPS") for the City of Oakland, as the successor agency to the Redevelopment Agency of the City of Oakland, prepared pursuant to California Health and Safety Code Section 34177(l)(2)(A), and approved by the Oakland Oversight Board.

Per the requirements of Health and Safety Code section 34177(l), this ROPS sets forth the enforceable obligations of the former Redevelopment Agency forward-looking during the six-month fiscal period, July 1, 2012, through December 31, 2012. This ROPS shall become operative as of July 1, 2012, and shall govern payments made by the successor agency after that date, per Health and Safety Code Section 34177(a)(3).

Note that this is not a complete list of all contracts to which the former Redevelopment Agency or the City of Oakland as successor agency is a party. Note also that the former Redevelopment Agency entered into many contracts, some of which are listed in this ROPS and some of which are not, that include contingent enforceable obligations (such as indemnities) that may require financial payments by the successor agency under certain conditions; these contingent obligations are not necessarily listed below. The City reserves the right to determine that an item listed below does not meet the definition of an enforceable obligation. Inclusion of a project or payee below also does not constitute a final determination by the City to make the listed payment at any given time. The amounts listed below are current good faith estimates only.

Explanatory Key to Columns in Recognized Obligation Payment Schedule

A: Areas

Refers to redevelopment project areas. Low and moderate income housing obligations are included in a separate section.

B: #

Obligations are sequentially numbered for each project area.

C: Project Name/Debt Obligation

Descriptive name of project/obligation or name of bond issue.

D: Payee

Person or entity named in the obligation or entitled to payment. In some cases, the precise vendor or contractor for payment is unknown at this time, so payee is listed as "unknown" or "various".

Note for housing obligations: Pursuant to Health and Safety Code Section 34176, all housing obligations and functions, including obligations to make housing development loans, were transferred to the City of Oakland as housing successor, while the balances in the Agency's Low and Moderate Income Housing Fund, including amounts encumbered for obligations, were transferred to the City of Oakland as successor agency. For these obligations, the payee name includes both the City of Oakland (as housing successor) and the ultimate borrower/contractor, as funds will be transferred by the successor agency to the housing successor to be disbursed in turn to the borrower/contractor.

E: Estimated Obligation as of 7/1/2012

This is the amount of the outstanding obligation as of July 1, 2012. In some instances, particularly with contingent obligations, this amount can only be estimated.

F: Description

Basic description of the type or purpose of the obligation.

G: Source of Payment

Identifies the source of funds that will be used to pay the obligation. Sources may include bond proceeds, reserve funds, the Low and Moderate Income Housing Fund, the Redevelopment Property Tax Trust Fund, grants, or other sources.

H: Payment Timeframe

Indicates how long the obligation is expected to last.

I: Payment Type Code

Indicates whether payments are one-time or ongoing, and whether they are made according to a set schedule or based on progress payments or other factors:

- 1: Regular payments, amount varies.
- 2: Regular set payments, schedule attached. Primarily used for debt service payments on bond obligations.
- 3: One time set payment.
- 4: No scheduled payments; payments to be made as work progresses over time frame indicated in column H
- 5: No scheduled payments; payments to be made as needed to meet regular staff obligation to monitor agreement.
- 6: No scheduled payments; payments to be made as needed to meet irregular staff obligation to monitor agreement
- 7: Contingent obligations where payments may be required if certain events occur pursuant to legal obligation. Includes such things as payment guarantees to third parties.

J: Estimated Payments During ROPS Period

Estimate of payments to be made July 1, 2012, through December 31, 2012.
