Council Criteria

**Council adopted the following criteria, in order of priority,
on June 4, 2013:**

1. Each Council district shall contain a nearly equal number of inhabitants.
2. Council district borders shall be drawn in a manner that complies with the United States Constitution and the Federal Voting Rights Act.
3. Council districts shall respect communities of interest as much as possible.
4. Council districts shall consist of contiguous territory in a reasonably compact form.

Council Criteria (cont.)

5. Council district borders shall follow visible natural and man-made geographical and topographical features as much as possible.
6. The population and territory of each existing Council district shall be considered when drawing each corresponding new Council district.
7. Districts should avoid displacing any incumbent City Council member or Oakland Unified School District Board member from the district he/she was elected to represent.

Maps on the following pages are cropped to show more detail of the proposed changes.

Existing Districts (Adopted 2003)

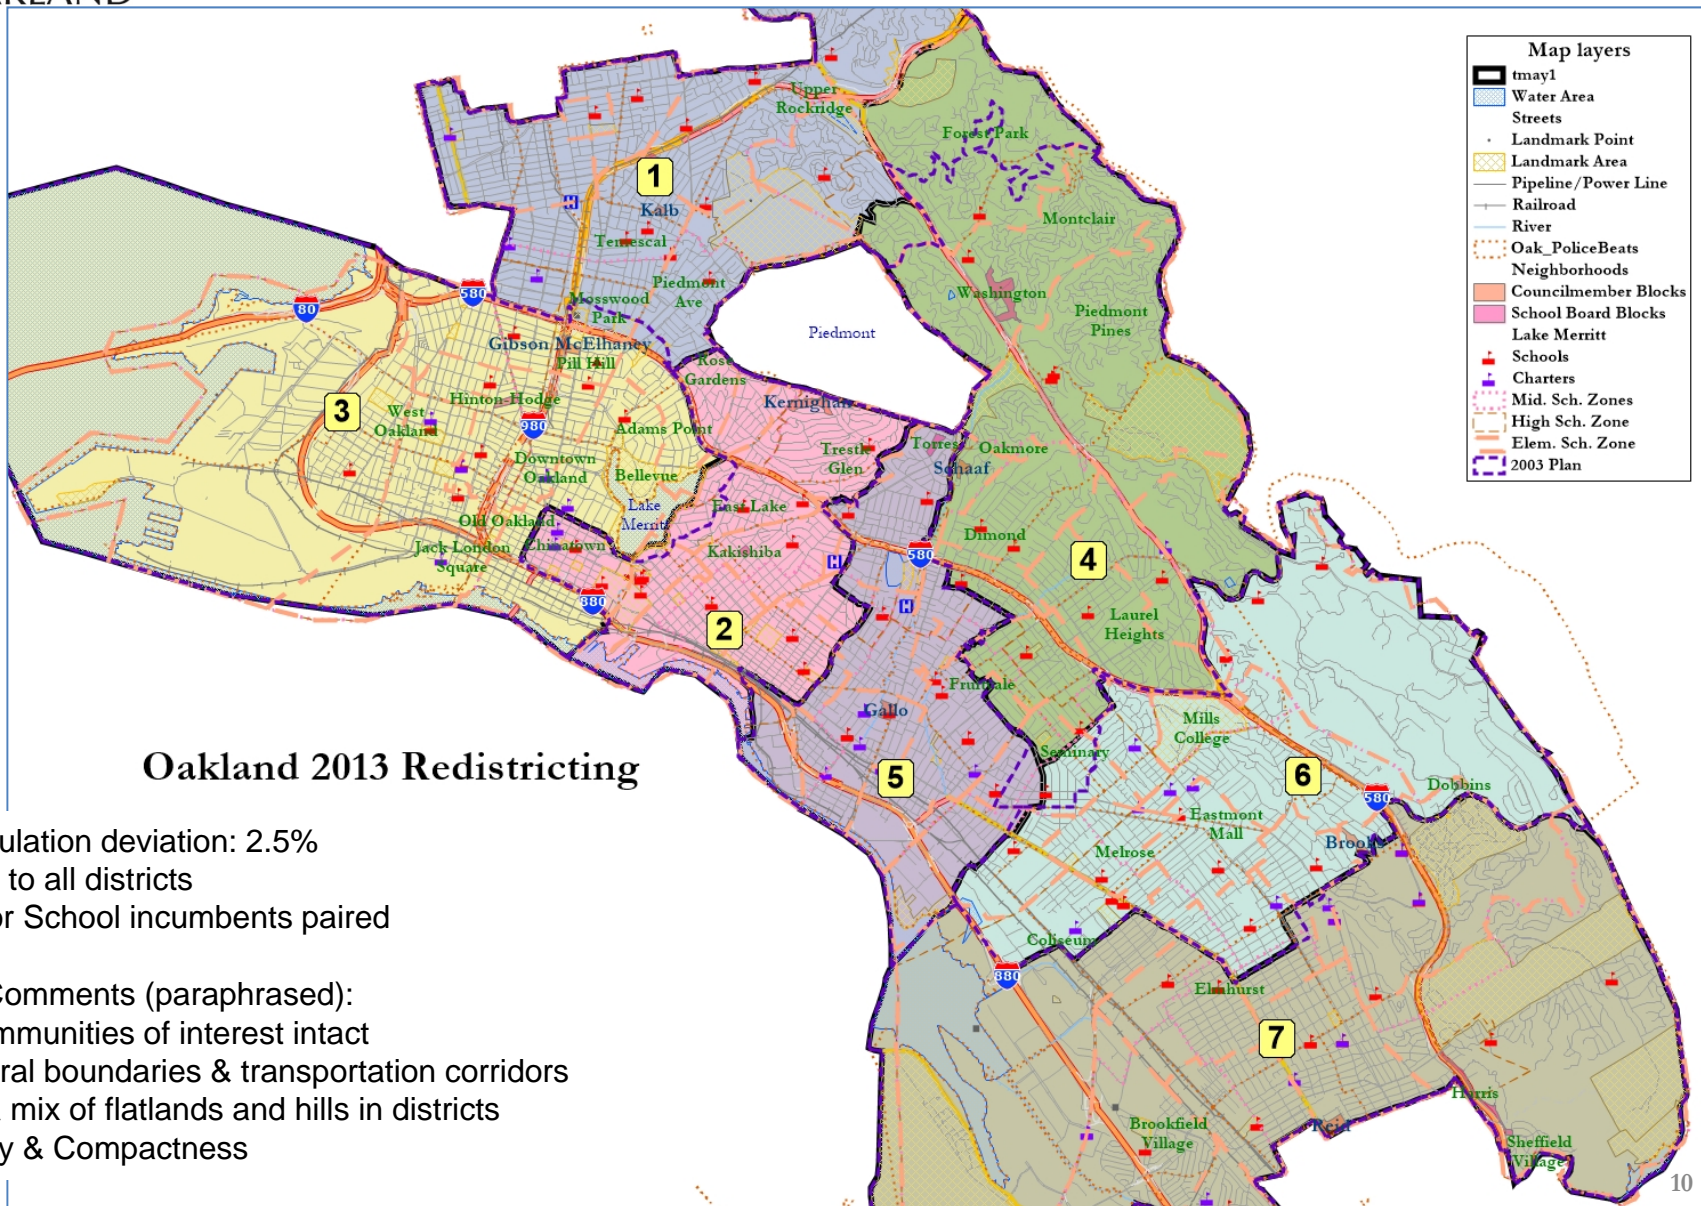

CITY OF OAKLAND

“Cohesive Neighborhoods” 1

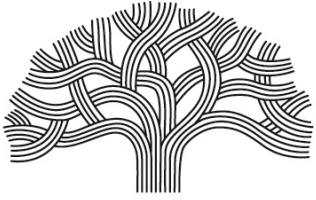

Map # 1

- Plan population deviation: 2.5%
- Changes to all districts
- No City or School incumbents paired

Submitter's Comments (paraphrased):

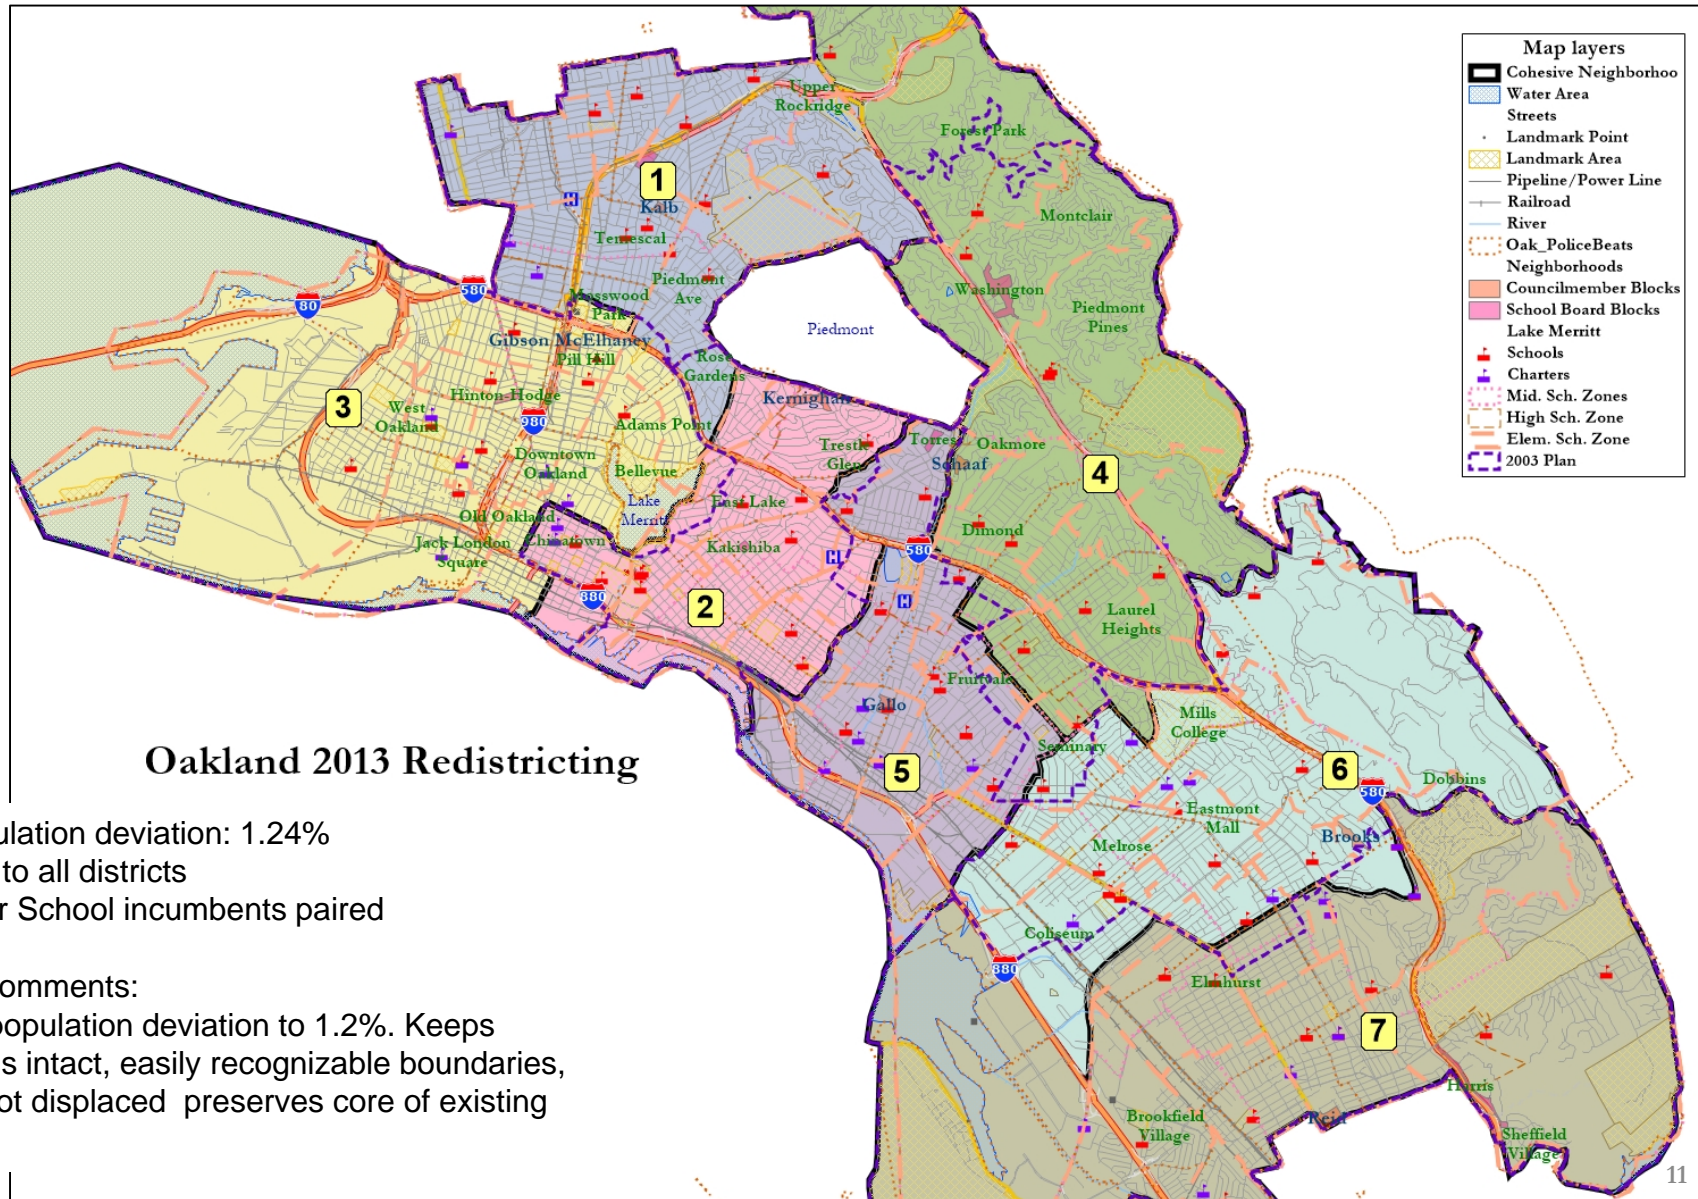

- Keep communities of interest intact
- Use natural boundaries & transportation corridors
- Include a mix of flatlands and hills in districts
- Continuity & Compactness

CITY OF OAKLAND

“Cohesive Neighborhoods” 2

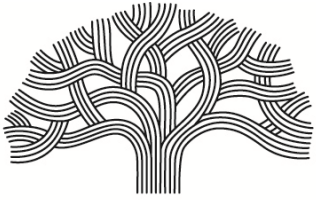

Map # 2

- Plan population deviation: 1.24%
- Changes to all districts
- No City or School incumbents paired

Submitter's Comments:

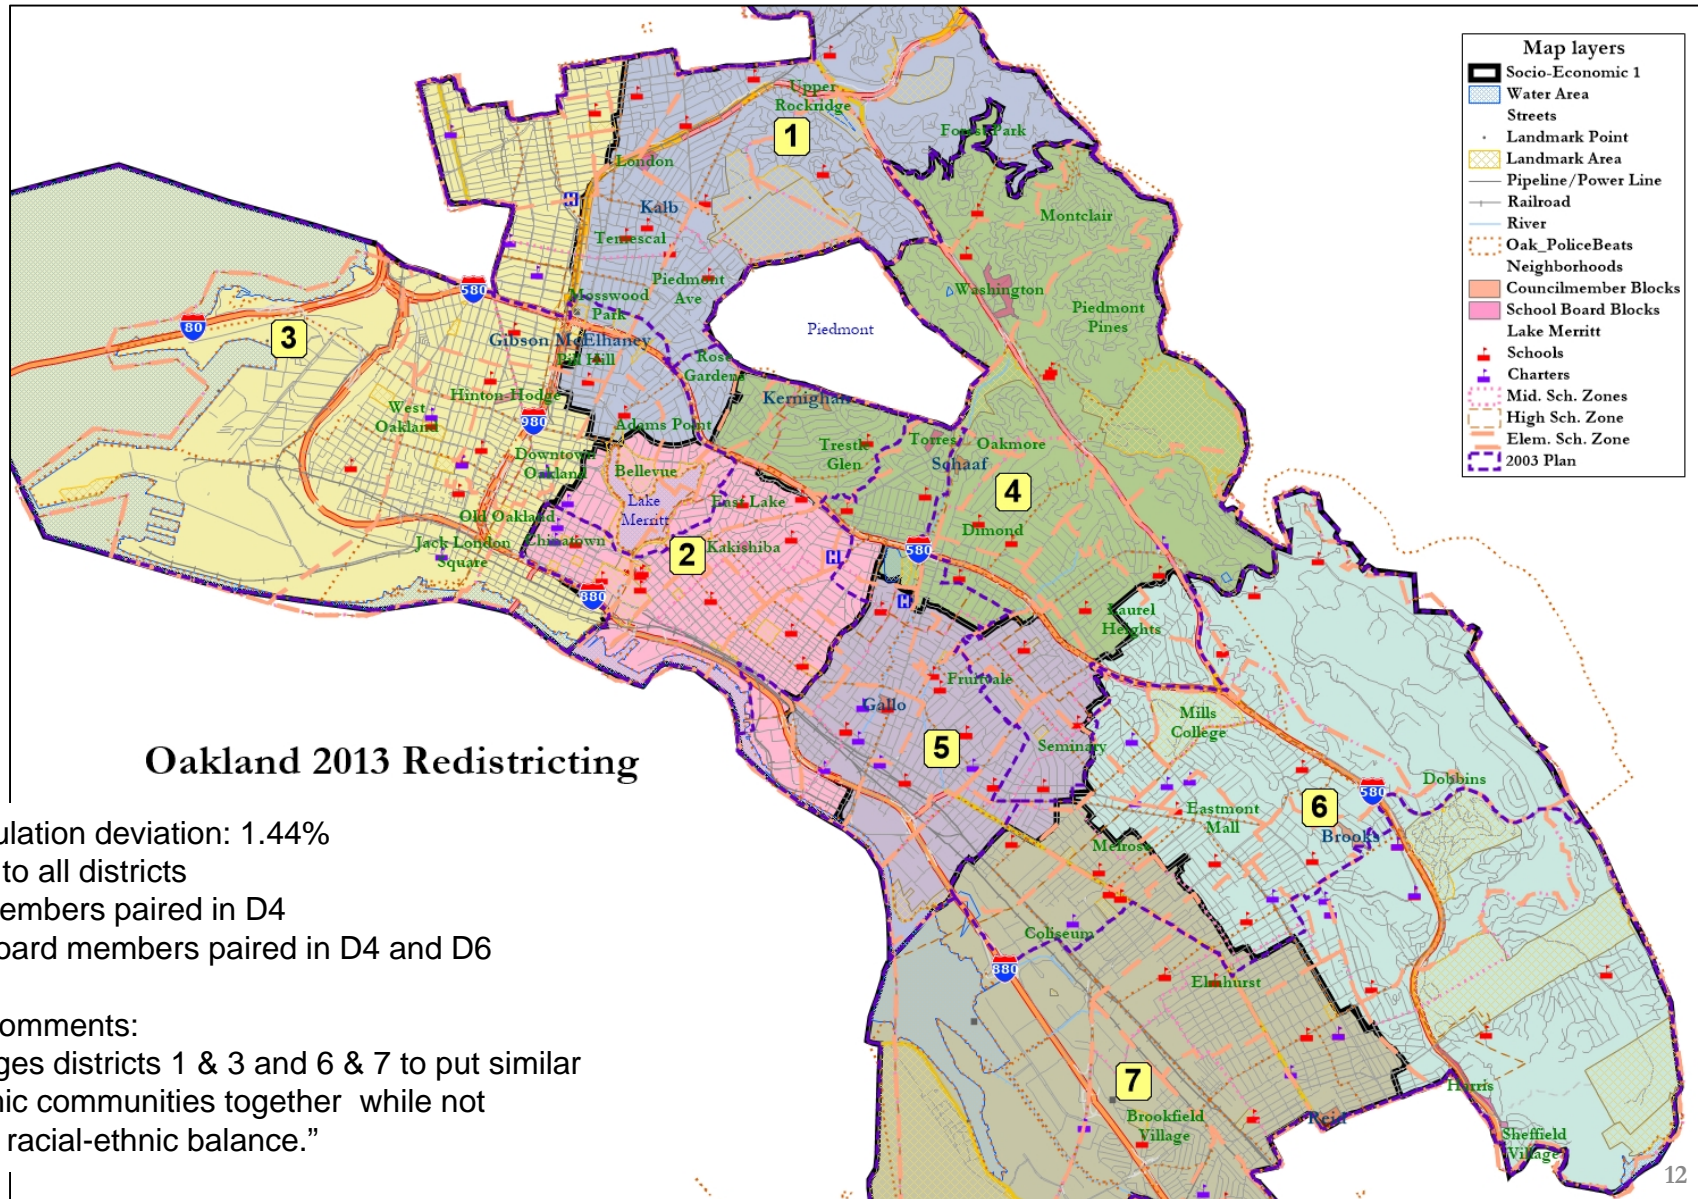

"Keeps total population deviation to 1.2%. Keeps neighborhoods intact, easily recognizable boundaries, incumbents not displaced preserves core of existing districts."

CITY OF OAKLAND

“Socio-Economic” 1

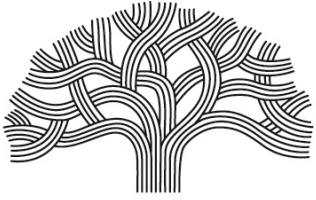

Map # 3

- Plan population deviation: 1.44%
- Changes to all districts
- Councilmembers paired in D4
- School Board members paired in D4 and D6

Submitter's Comments:

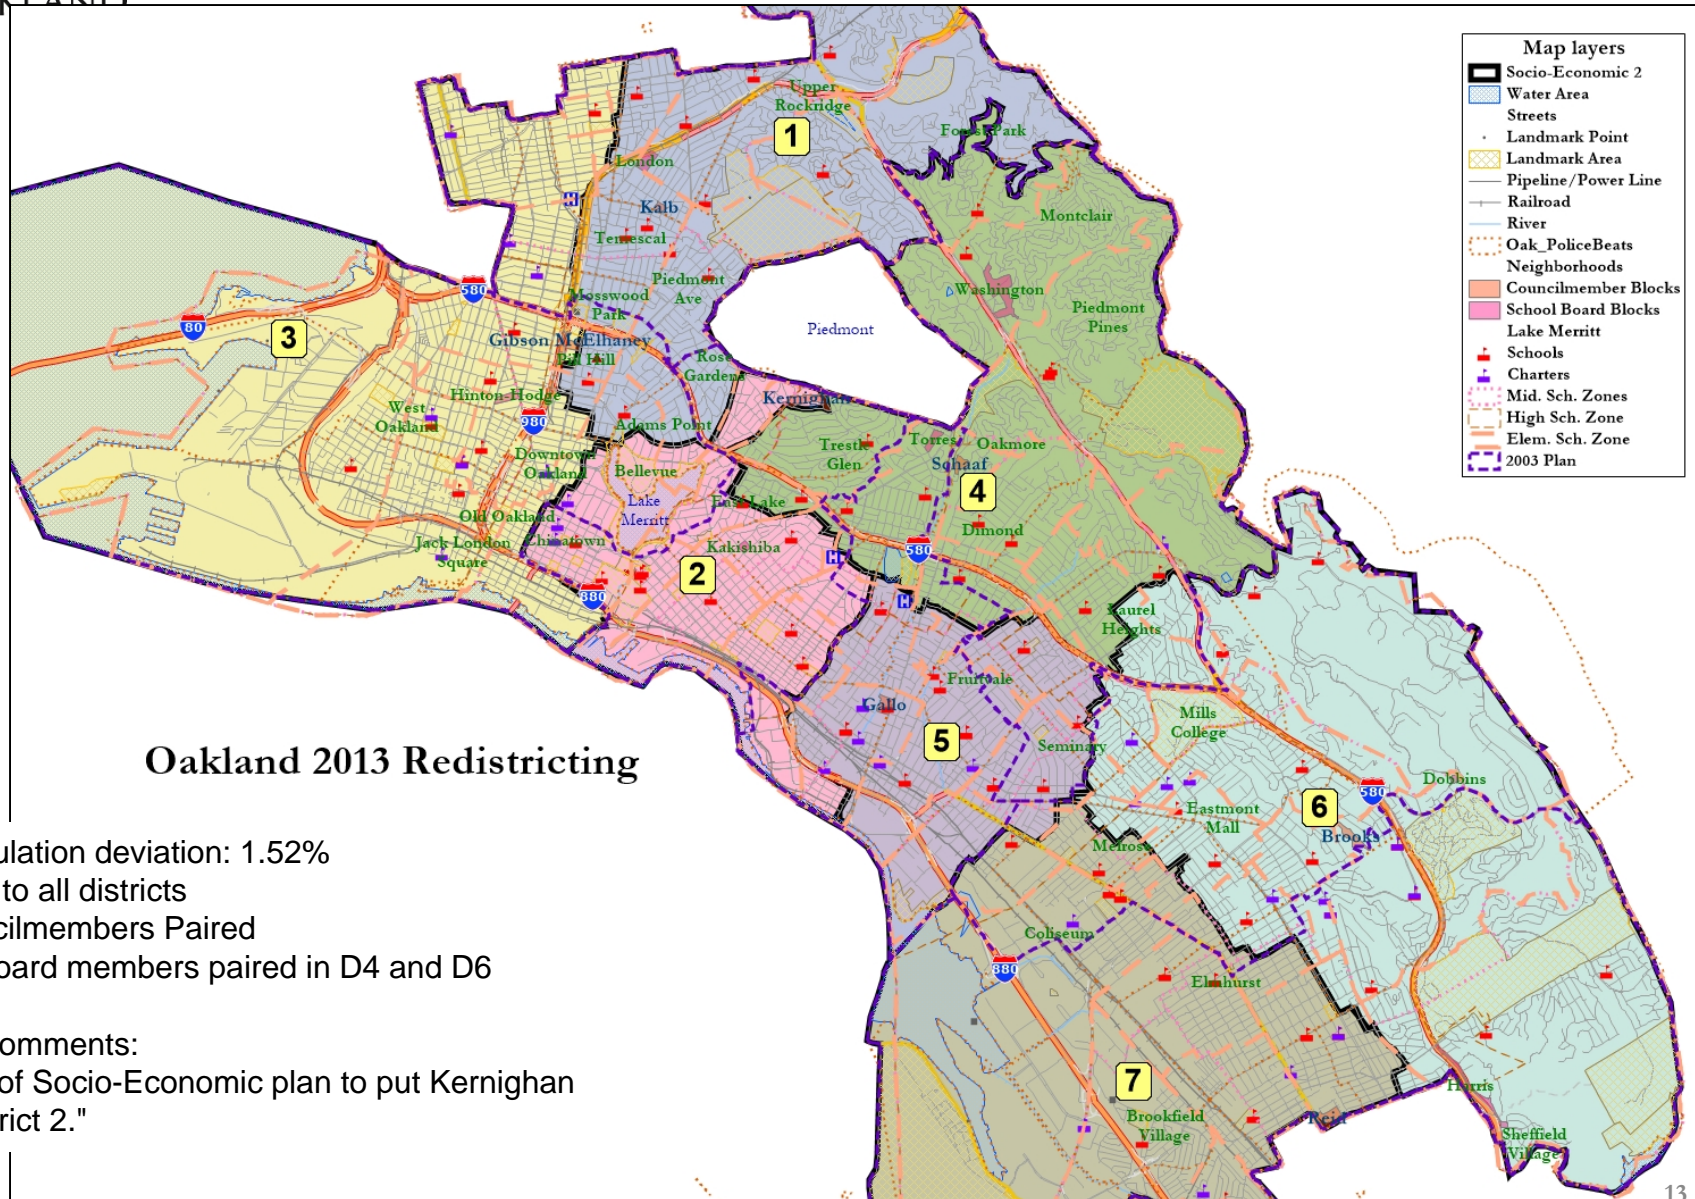

"Plan rearranges districts 1 & 3 and 6 & 7 to put similar socio-economic communities together while not disturbing the racial-ethnic balance."

CITY OF OAKLAND

“Socio-Economic” 2

Map # 4

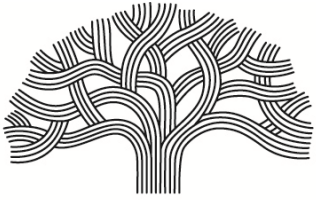

Oakland 2013 Redistricting

- Plan population deviation: 1.52%
- Changes to all districts
- No Councilmembers Paired
- School Board members paired in D4 and D6

Submitter's Comments:

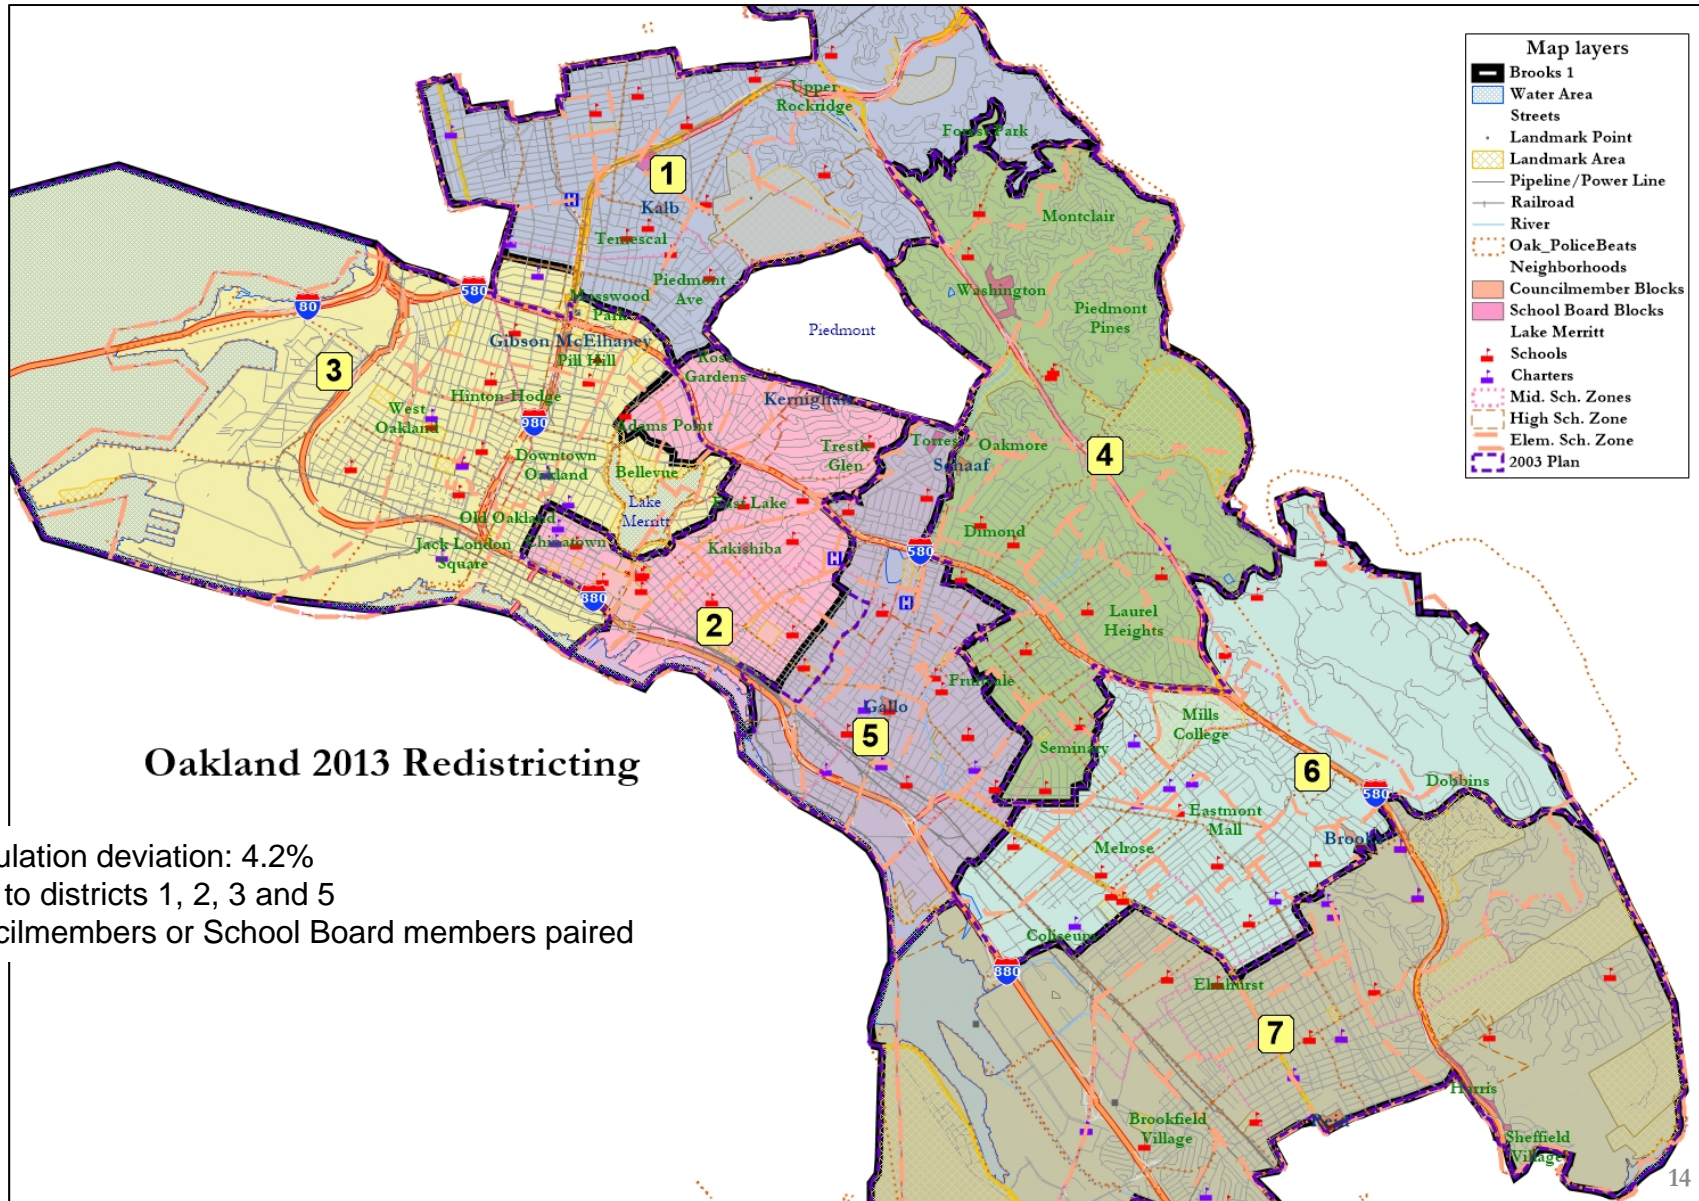

"Modification of Socio-Economic plan to put Kernighan back into District 2."

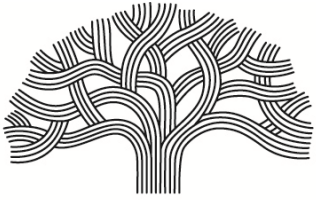

CITY OF OAKLAND

Councilmember Brooks

Map # 5

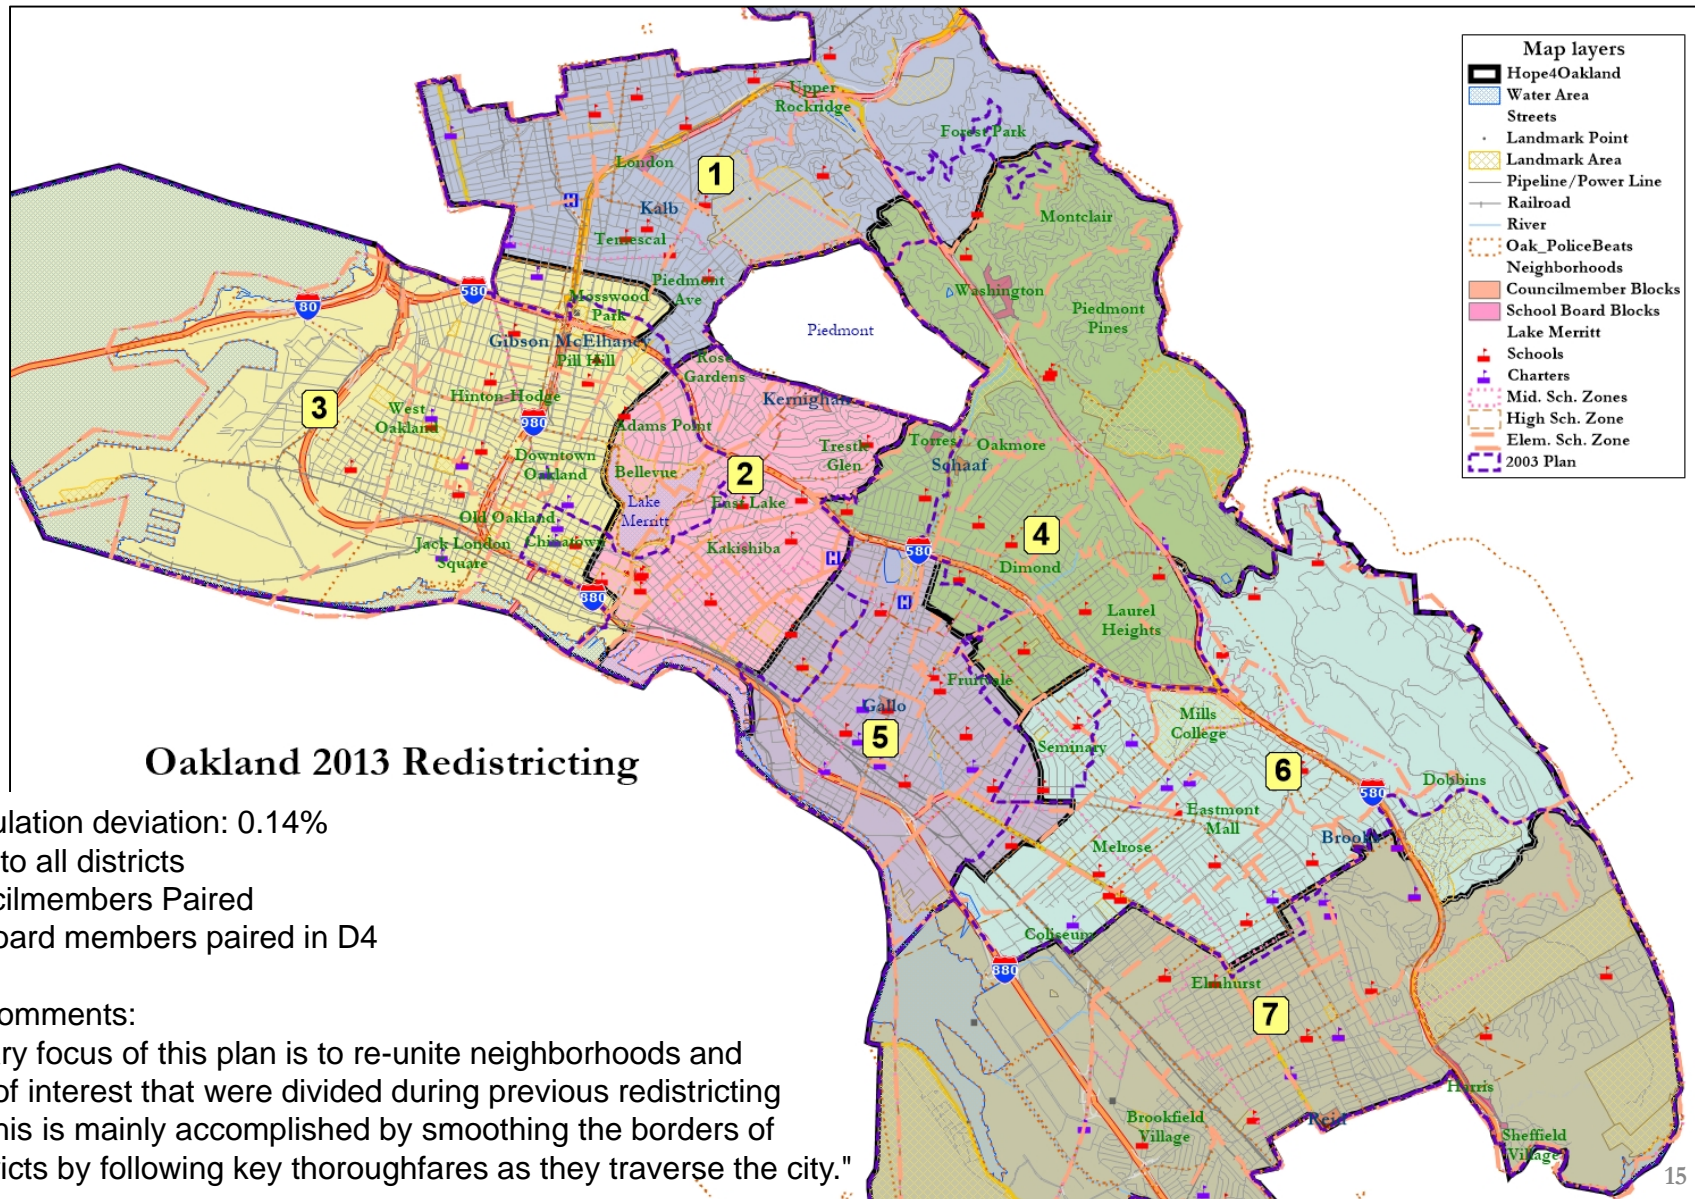

- Plan population deviation: 4.2%
- Changes to districts 1, 2, 3 and 5
- No Councilmembers or School Board members paired

CITY OF OAKLAND

Hope 4 Oakland

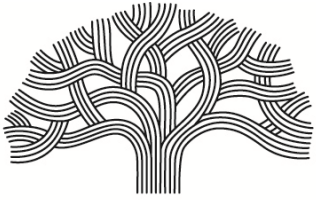

Map # 6

- Plan population deviation: 0.14%
- Changes to all districts
- No Councilmembers Paired
- School Board members paired in D4

Submitter's Comments:

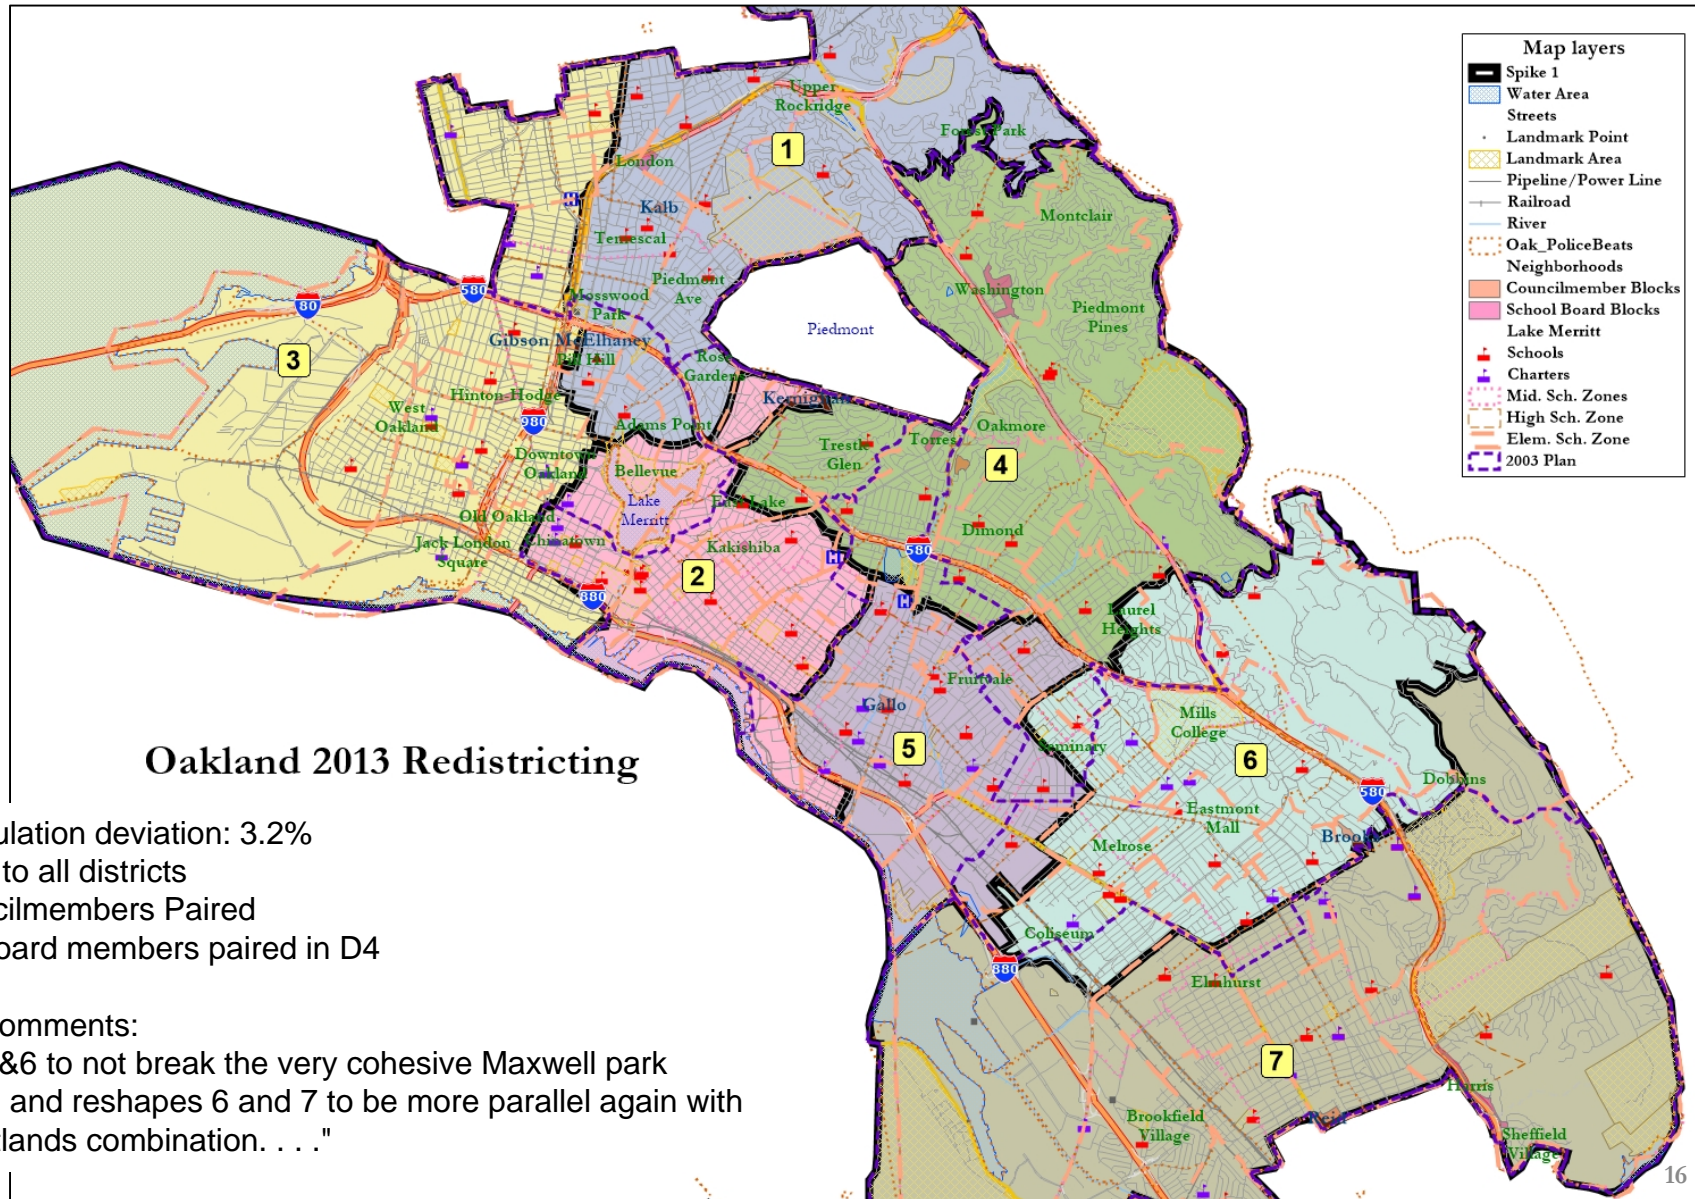

... The primary focus of this plan is to re-unite neighborhoods and communities of interest that were divided during previous redistricting efforts. ... This is mainly accomplished by smoothing the borders of adjoining districts by following key thoroughfares as they traverse the city."

CITY OF OAKLAND

Socio-Economic Adjusted 1

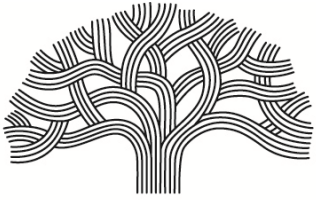

Map # 7

- Plan population deviation: 3.2%
- Changes to all districts
- No Councilmembers Paired
- School Board members paired in D4

Submitter's Comments:

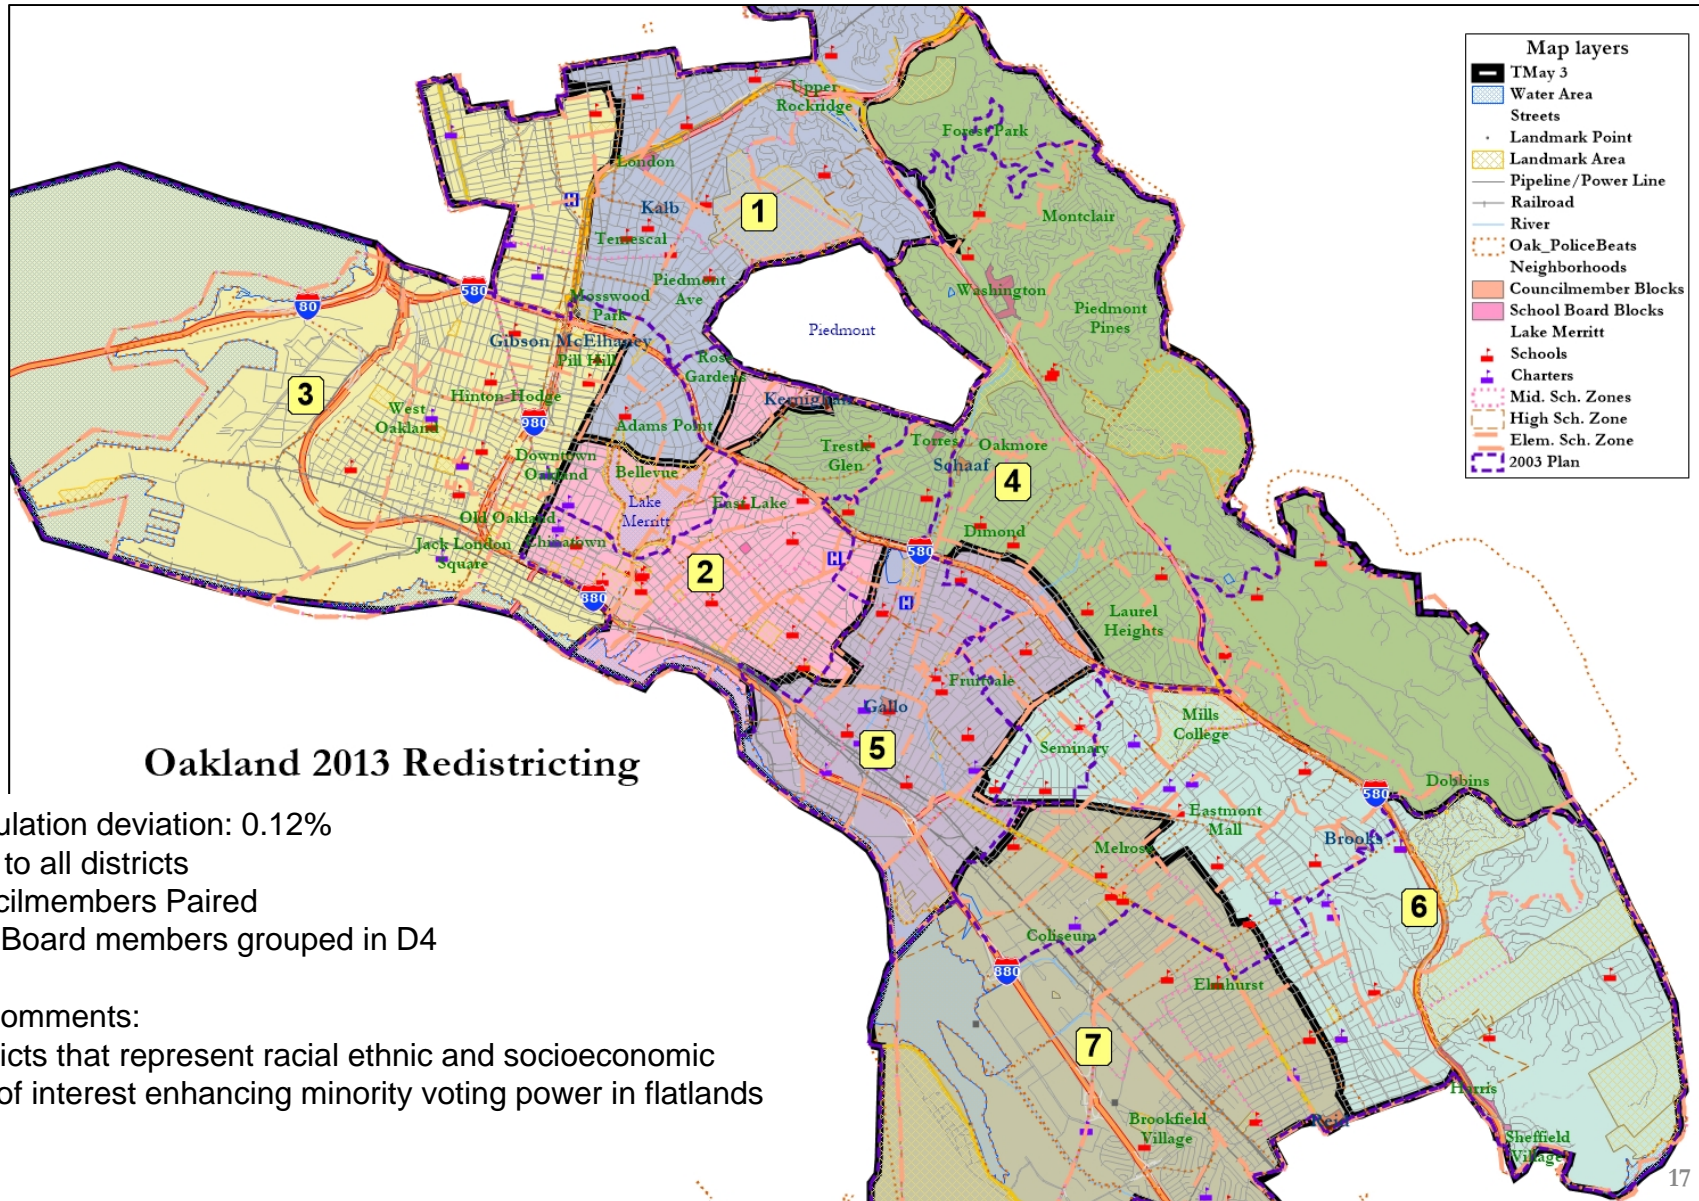

"... adjusts 5&6 to not break the very cohesive Maxwell park neighborhood and reshapes 6 and 7 to be more parallel again with a hills and flatlands combination. ..."

CITY OF OAKLAND

Fair Representation

Map # 8

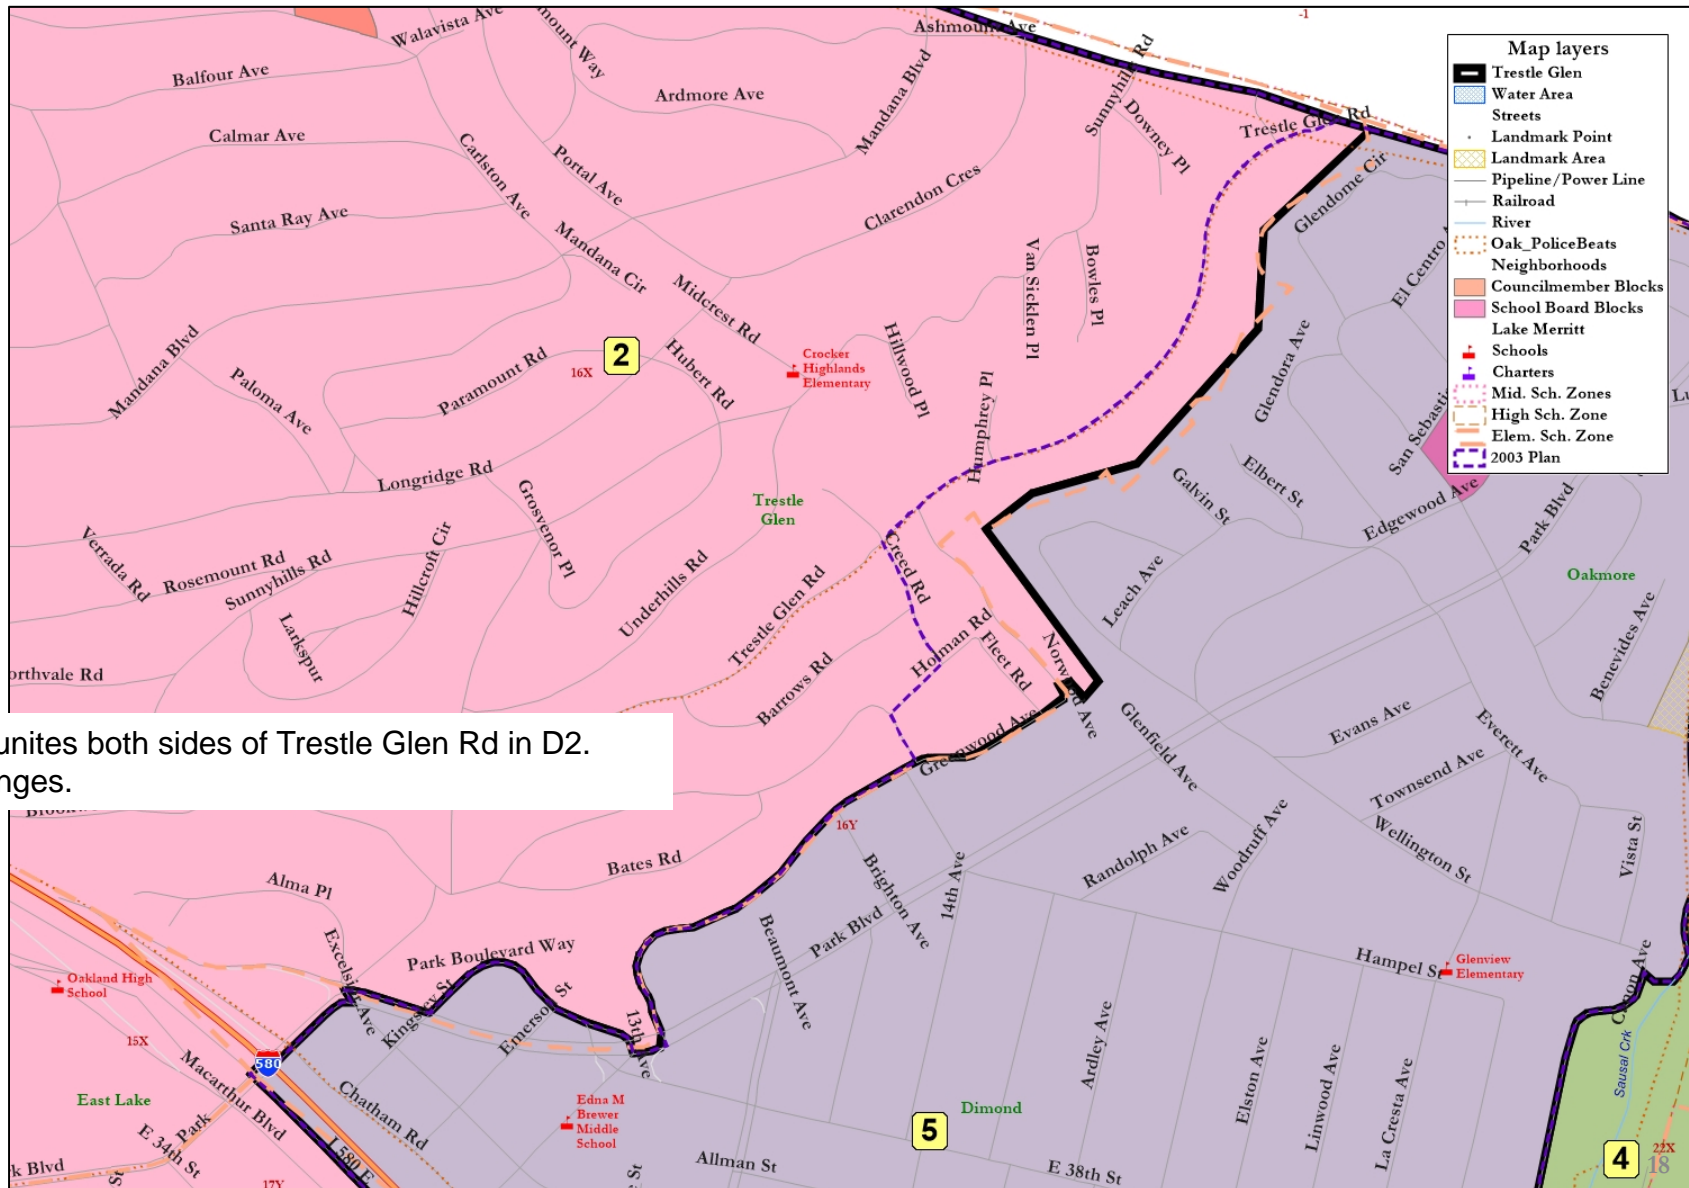

- Plan population deviation: 0.12%
- Changes to all districts
- No Councilmembers Paired
- 3 School Board members grouped in D4

Submitter's Comments:

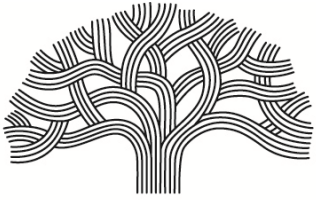

"Creates districts that represent racial ethnic and socioeconomic communities of interest enhancing minority voting power in flatlands districts. . . ."

Trestle Glen Neighbors

Map # 9

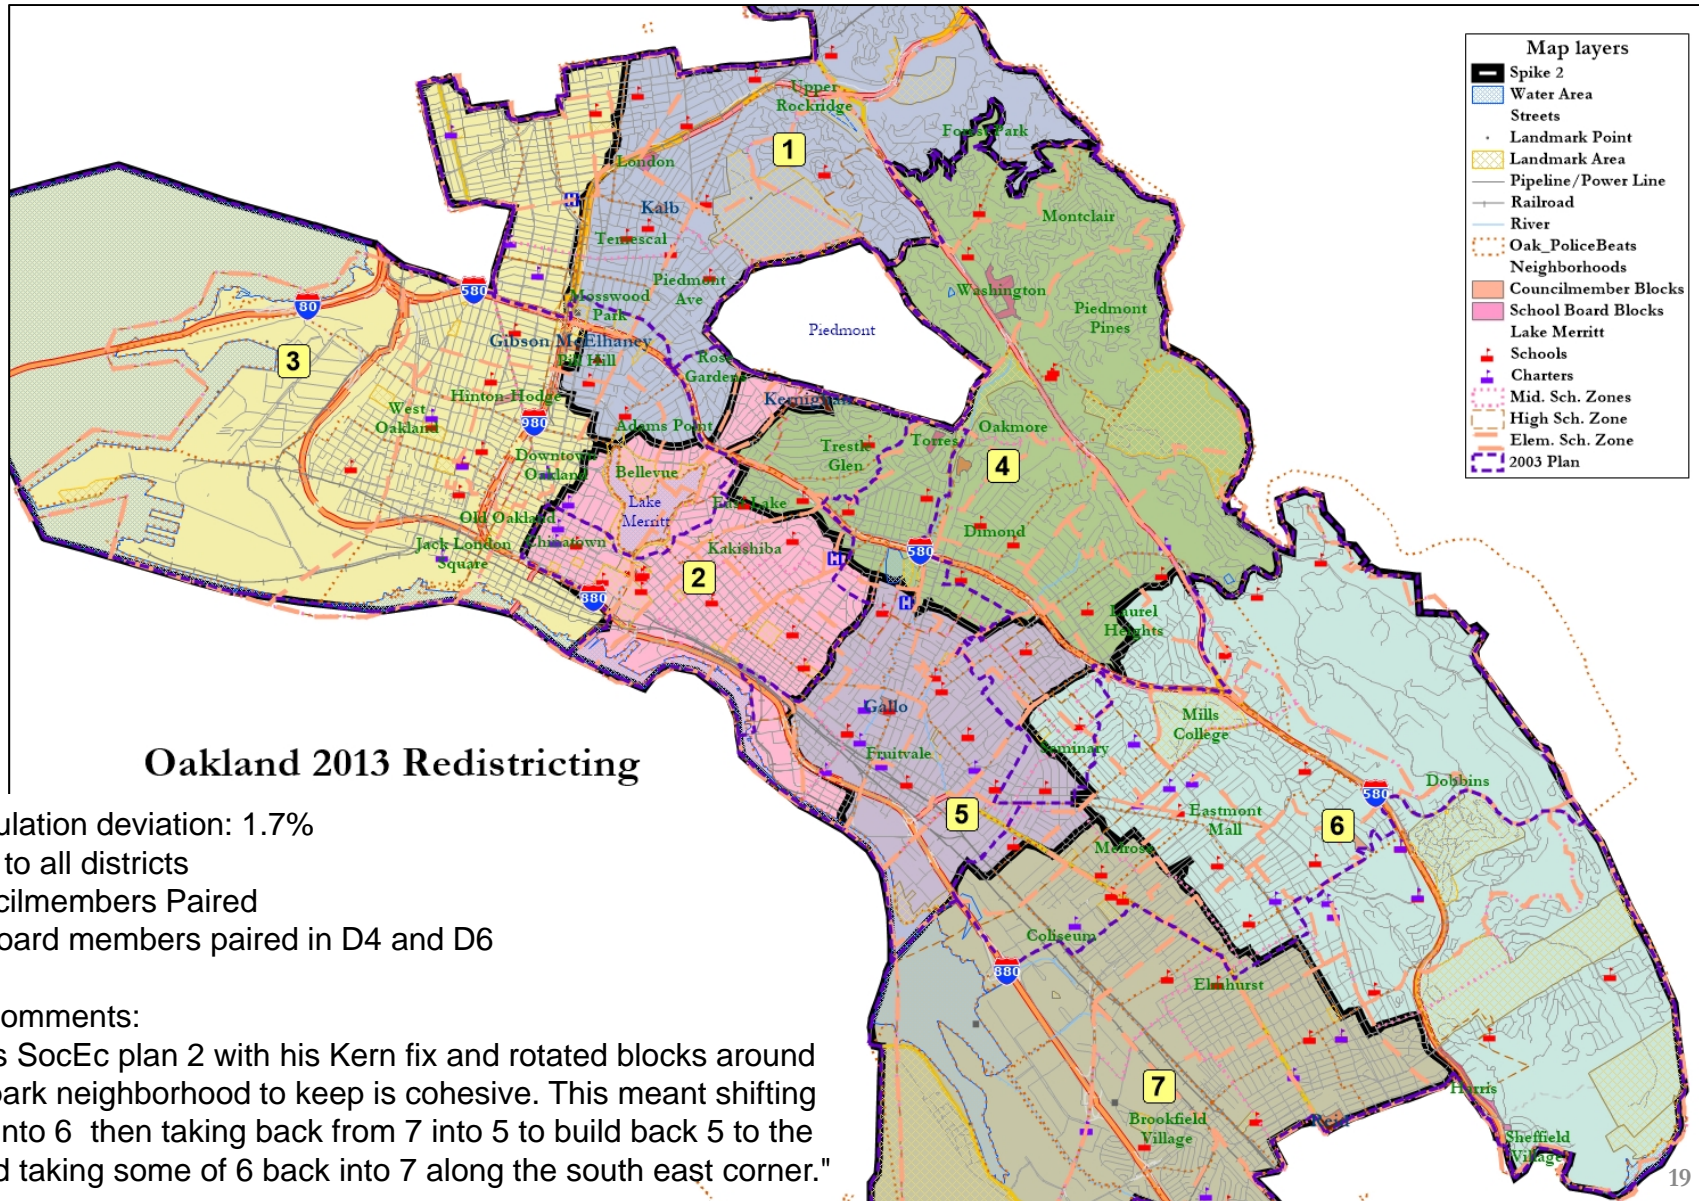

Partial Plan: unites both sides of Trestle Glen Rd in D2.
No other changes.

CITY OF OAKLAND

Socio-Economic Adjusted 2

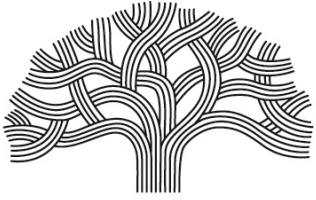

Map # 10

- Plan population deviation: 1.7%
- Changes to all districts
- No Councilmembers Paired
- School Board members paired in D4 and D6

Submitter's Comments:

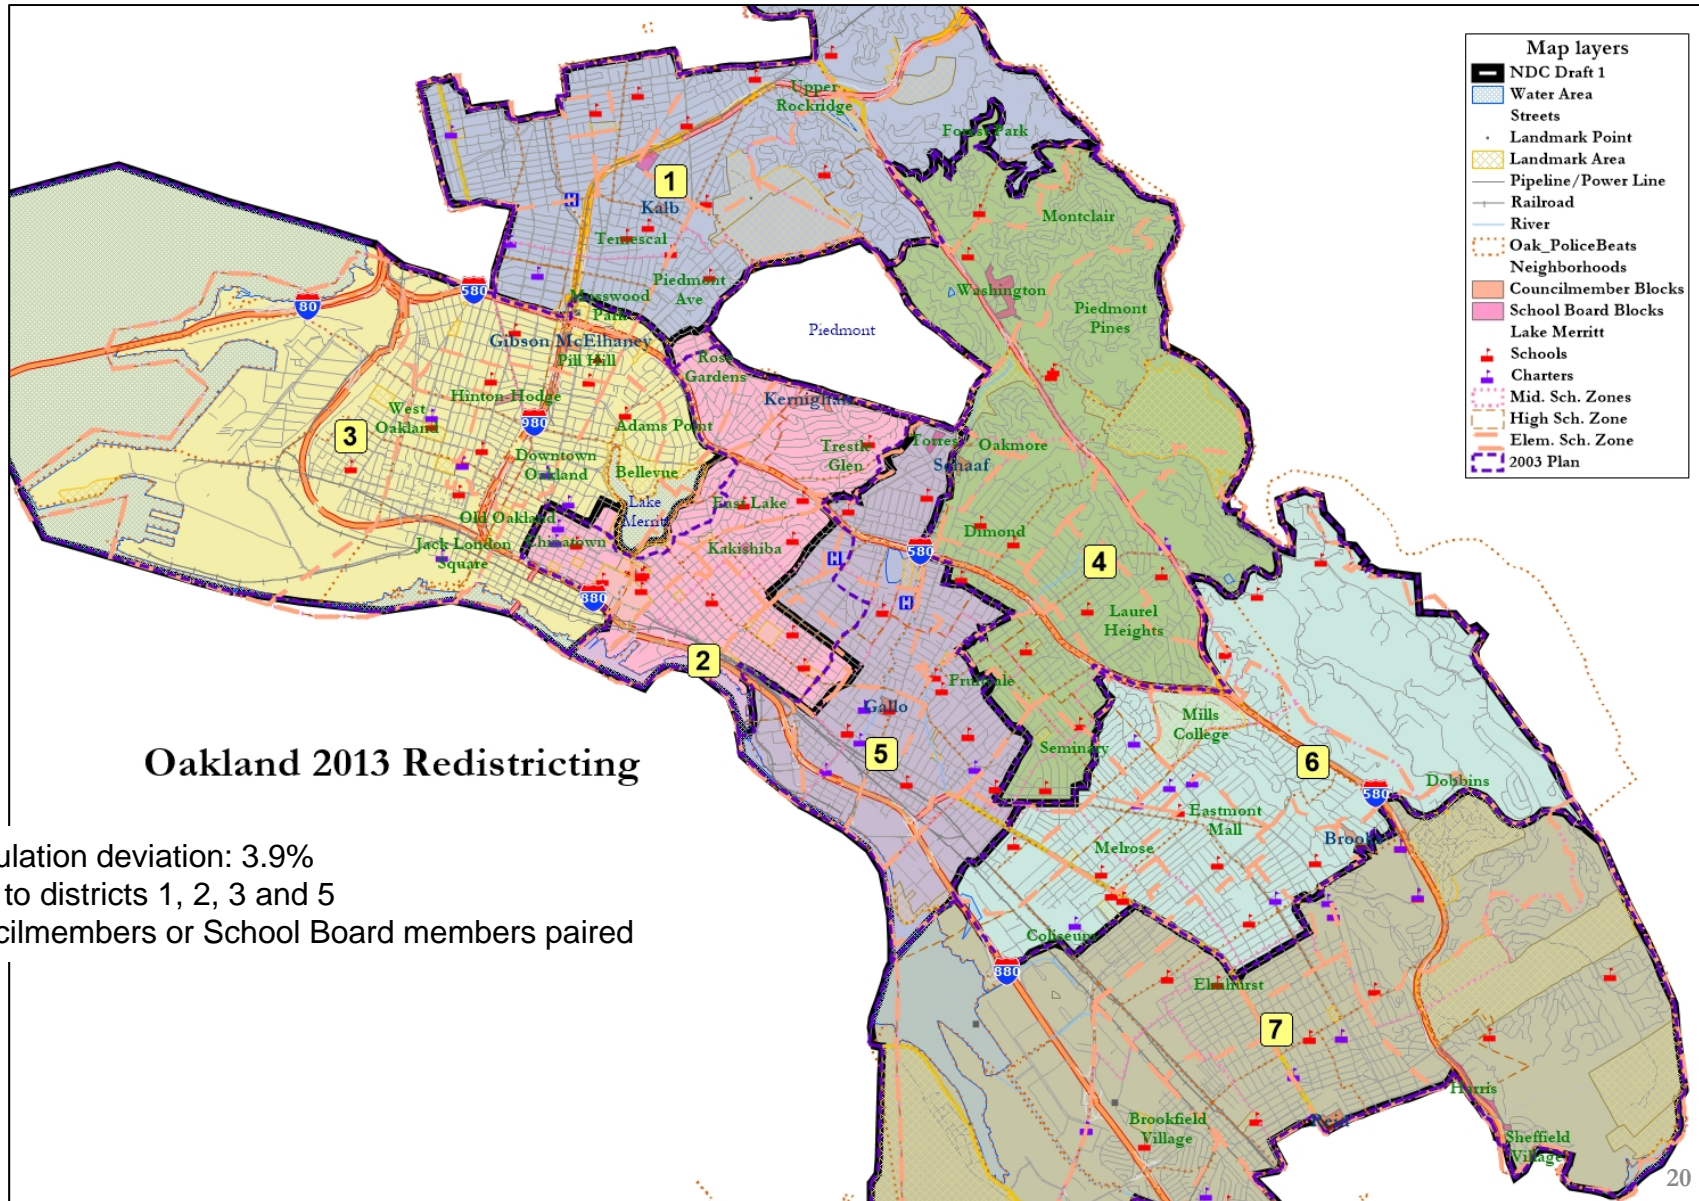

"I took JDAT's SocEc plan 2 with his Kern fix and rotated blocks around the Maxwell park neighborhood to keep it cohesive. This meant shifting some from 5 into 6 then taking back from 7 into 5 to build back 5 to the right total and taking some of 6 back into 7 along the south east corner."

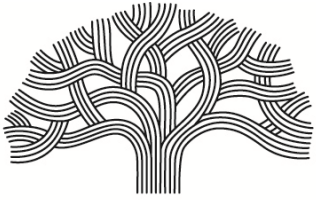

CITY OF OAKLAND

NDC Draft 1

Map # 11

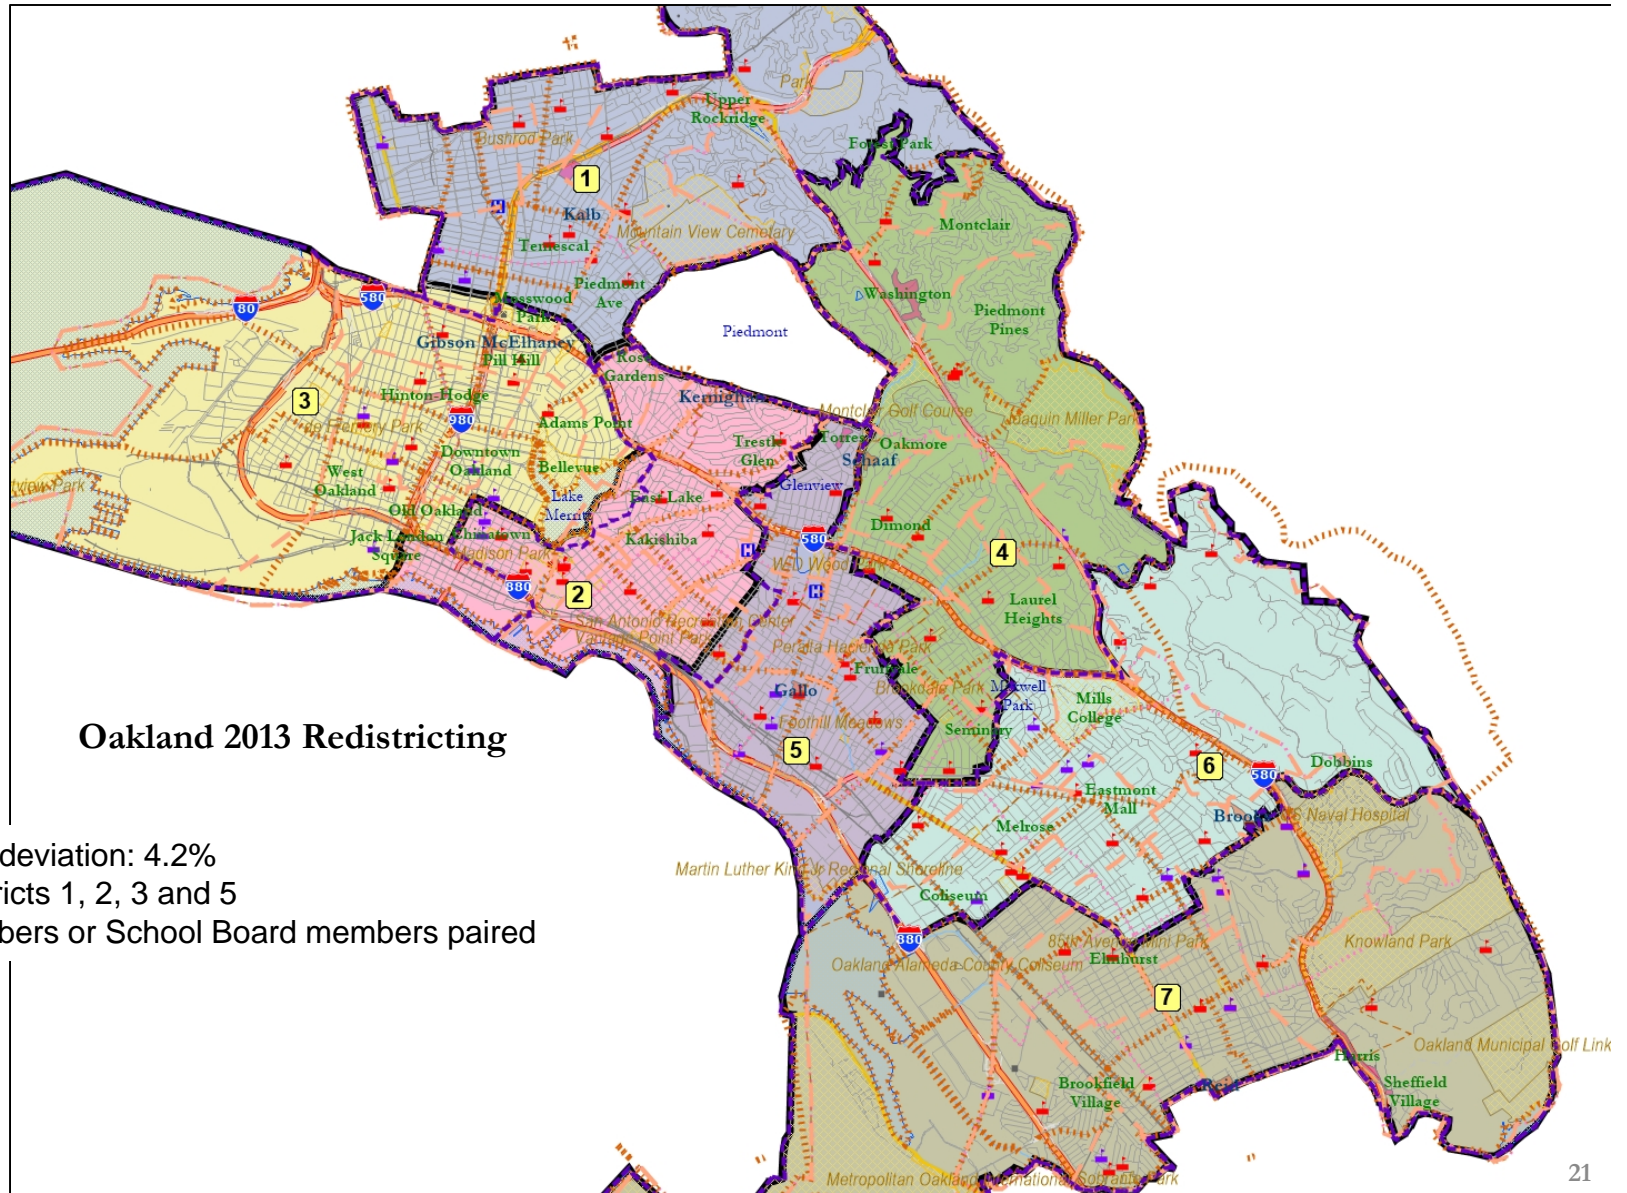

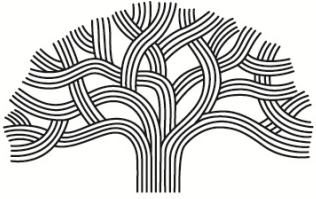

CITY OF OAKLAND

NDC Draft 2

Map # 12

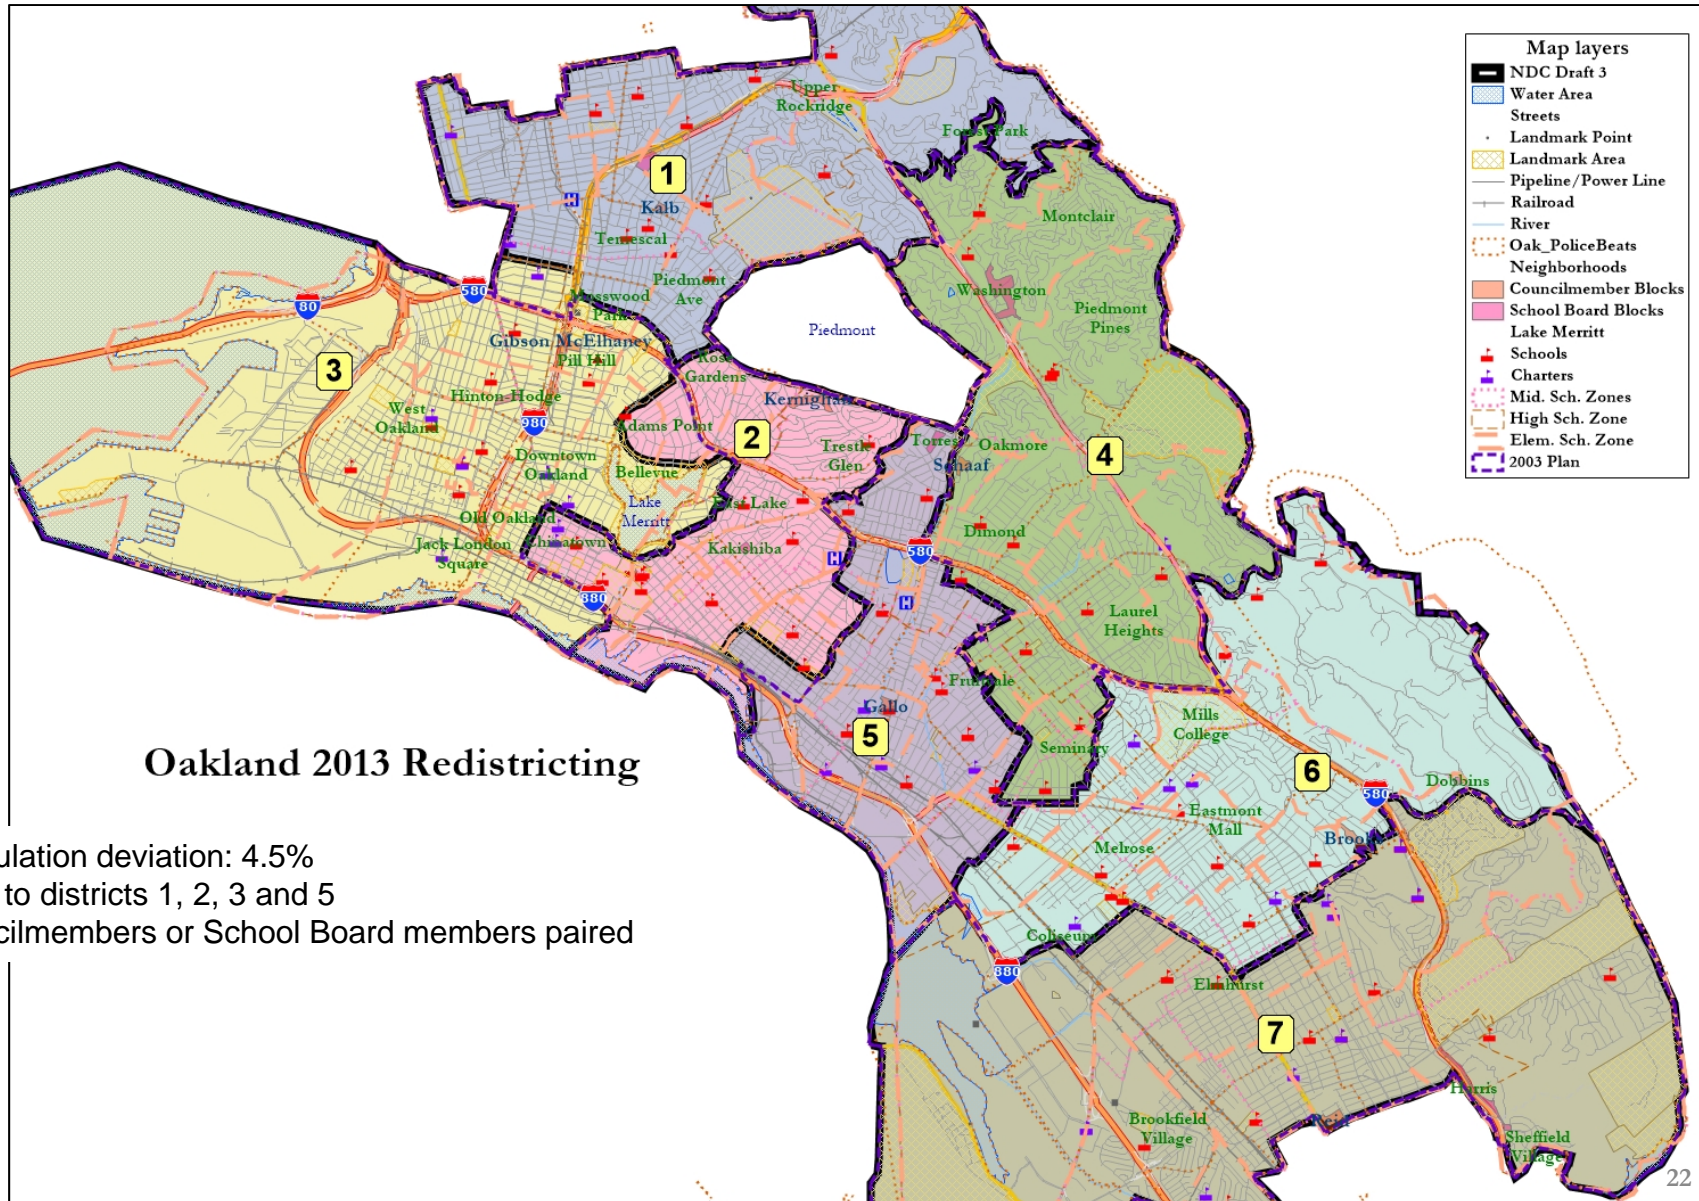

- Plan population deviation: 4.2%
- Changes to districts 1, 2, 3 and 5
- No Councilmembers or School Board members paired

CITY OF OAKLAND

NDC Draft 3

Map # 13
