Here's my story:

I live by 55th + Walnut, and my community is currently split into 2 districts. Working class families who are home owners are separated by the D4/D6 boundary. Our demographics are too similar! We shouldn't be separated.

To the community is not always where we end up, but where they feel the city really serves. Oakland represents the city I will leave for my community friends.

I would like District 7 to stay the way it is so that the council person has to listen to both sides & be balanced in decision making. -Helen-Jean

Christina & where both populations stay together I'm Chinese. It is easier for neighbors to communicate & look out for each other, public safety issue.

Here's my story:

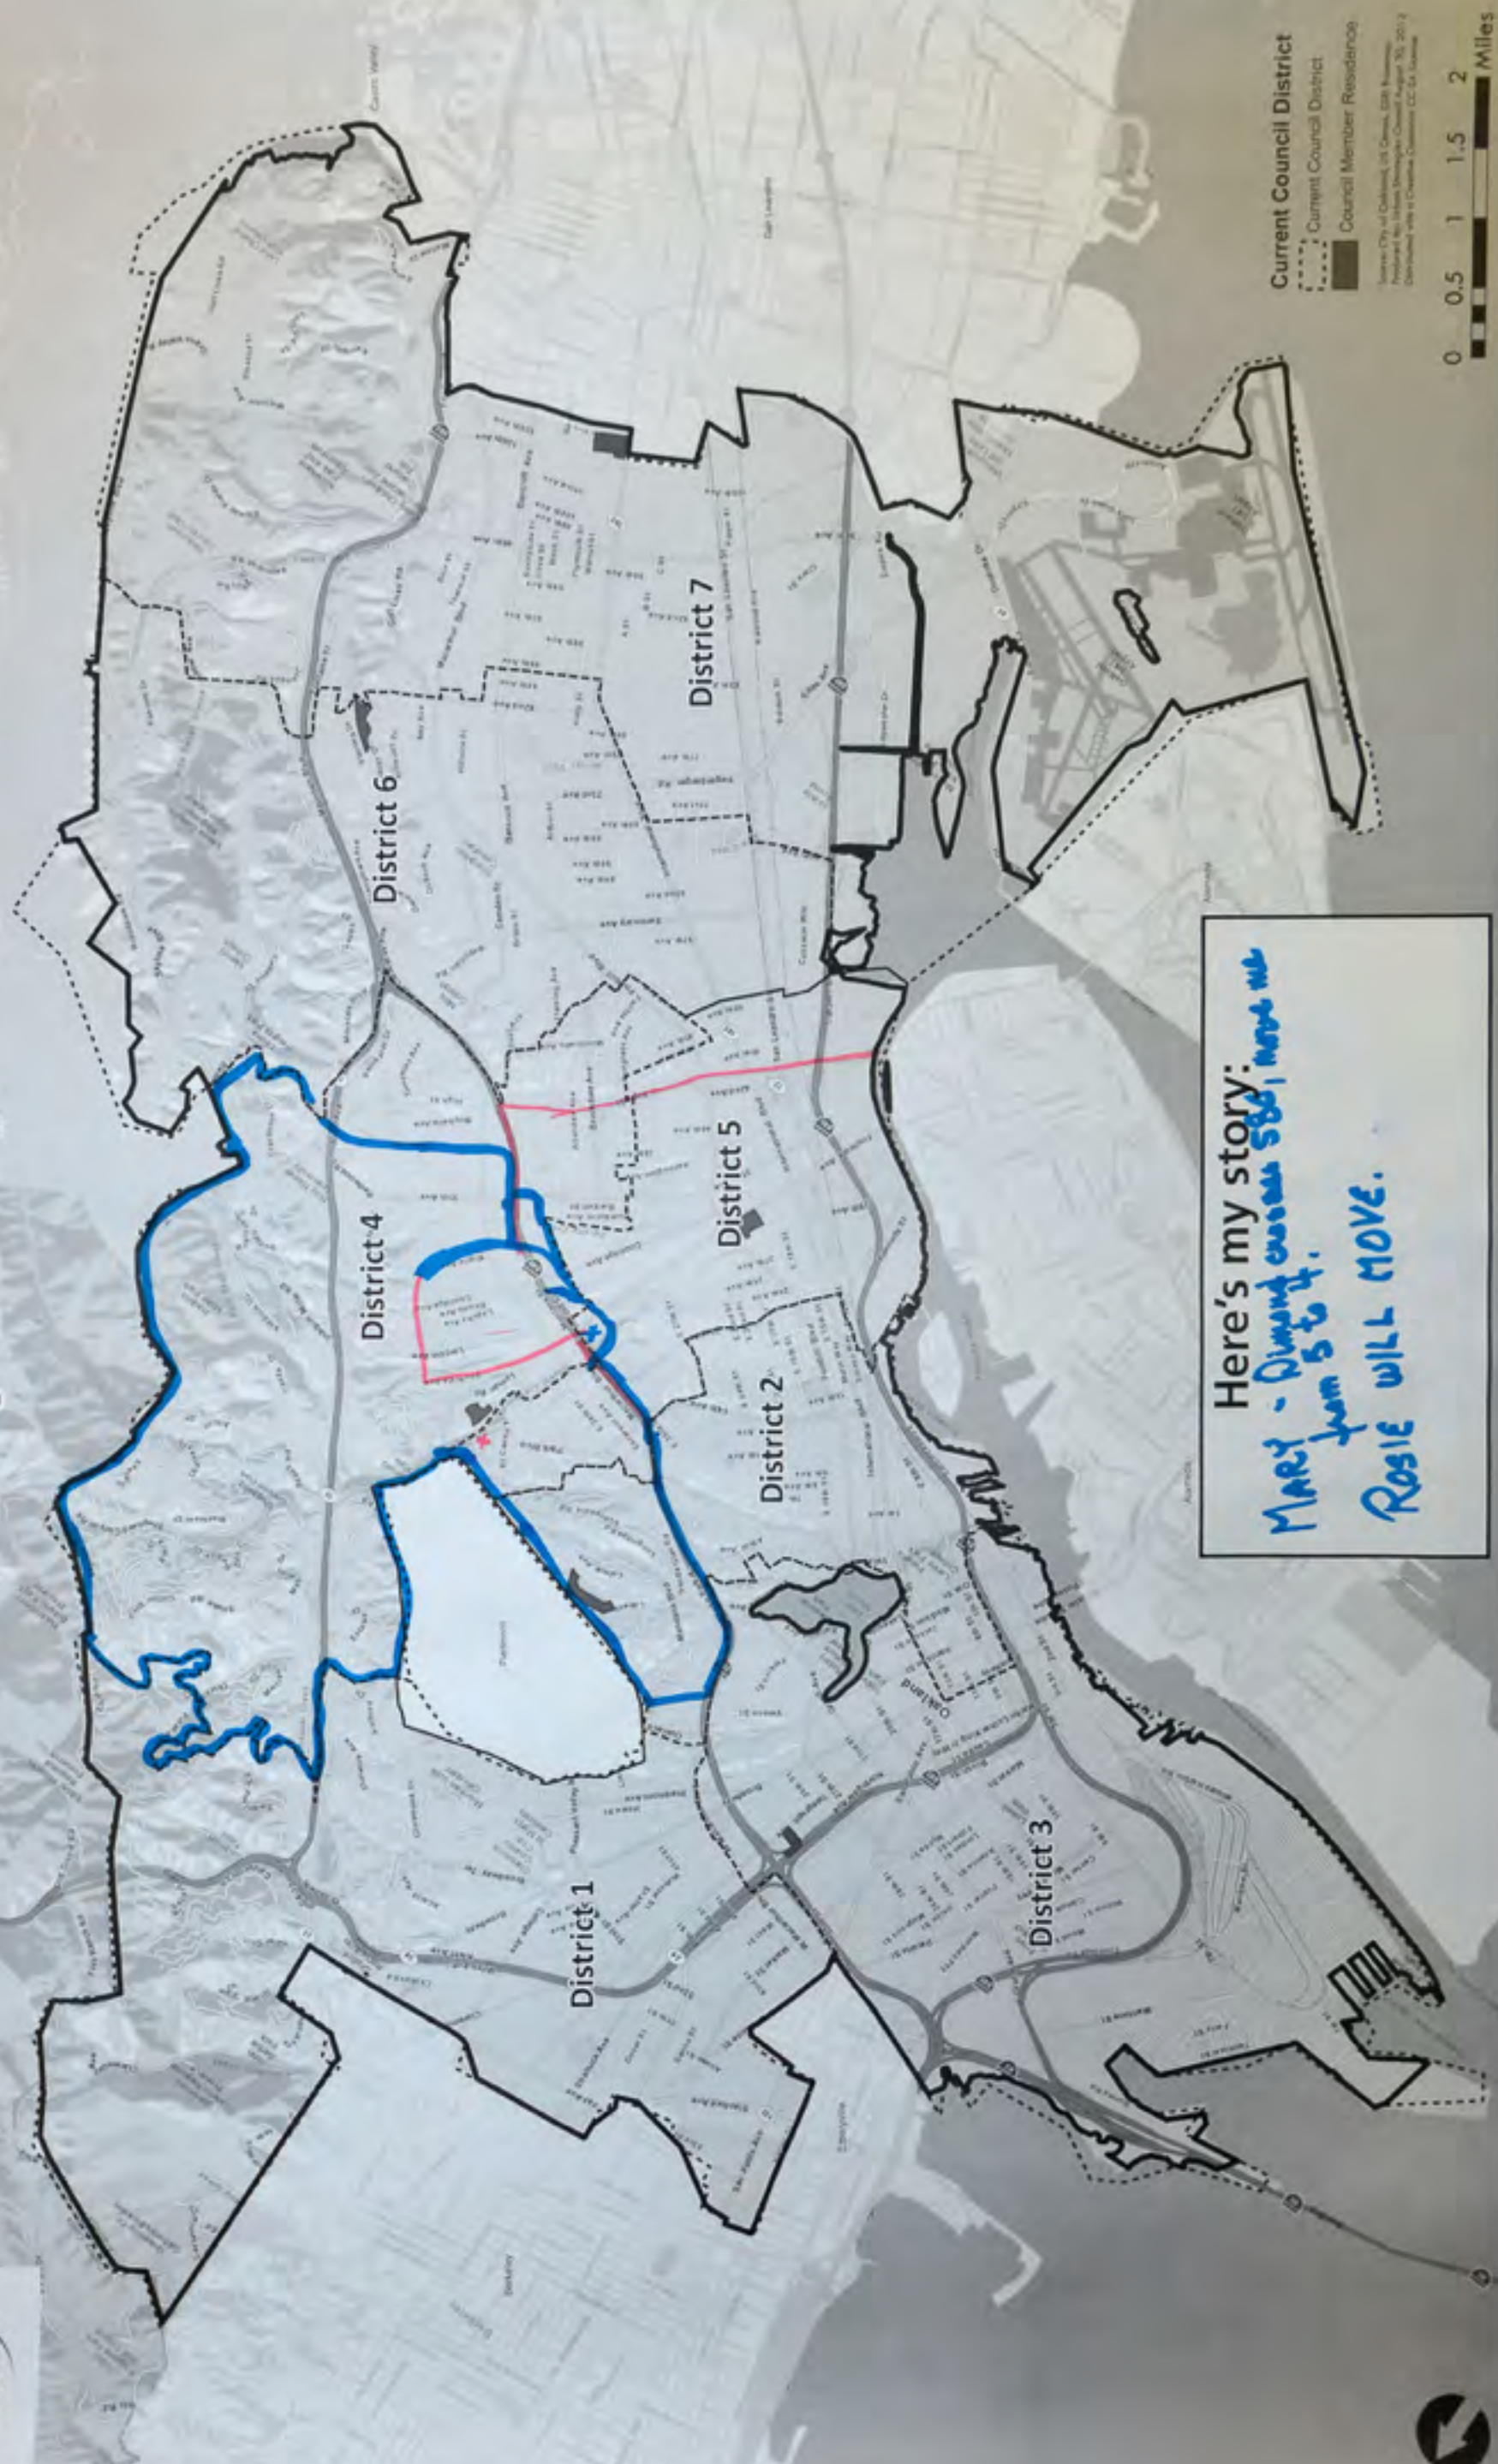

Sonya Peltin

I live east of the lake, near E 18th and Park. When
pressed, I'd say for the people who go to Woody's bar/banquet
one who lives in my neighborhood (2) The wrong house is my apartment
of Park, plus the Vicks (and of their walking I used to live in the Diamond
\$ this year before 580 was on or between Road (Jones Diamond? Upper Bar/Trade?)
and traveling nearby to have the Diamond - a house I thought about when
and outside again

Longa Love - District 2 - Redistricting

My story
 I live in District 2, but I don't know it. I don't know the people, the culture, the history. I don't know the struggles, the joys, the dreams. I don't know the heart of the community. I don't know the soul of the people. I don't know the spirit of the place. I don't know the voice of the people. I don't know the heart of the community. I don't know the soul of the people. I don't know the spirit of the place. I don't know the voice of the people.
