

# HEALTH WEALTH & STABILITY

## ***Better Neighborhoods, Same Neighbors***

Over the past year, several East Oakland community organizations, in collaboration with the City of Oakland, leveraged state funding to empower resident leaders to conduct community outreach and identify the primary health, wealth, and social concerns, goals, and priorities for Melrose, Coliseum, Elmhurst, Stonehurst, Brookfield and Sobrante Park. The results of this effort were published in the 2019 'Better Neighborhoods, Same Neighbors' Community Plan.

The state now has implementation funding available for three to five projects that reflect the community-identified priorities to be implemented over the next five years.

Join us to review and comment on these projects that improve our green infrastructure, increase mobility access and build affordable housing in deep East Oakland. We want to hear from you!
